OVERVIEW

This All-User Restroom placard combines a toilet symbol, the International Symbol of Accessibility, raised lettering and Grade 2 braille, so every visitor can identify the restroom by sight or by touch.

It's custom made for Madden Fabrication to lie flat and to follow the radius of the Portland Loo's curved panels, so it sits tight against the restroom with no gaps or lifting edges.

01 FITS THE LOO'S CURVE

Made to lay flat and conform to the radius panel of the Portland Loo restroom.

03 ALL-USER WORDING

"All-User Restroom" with the toilet and accessibility symbols signals a single-user restroom open to everyone.

02 READABLE BY TOUCH

UV-printed raised symbols and text, plus clear Grade 2 braille below the wording.

04 DURABLE ADA BLUE

1/16" Rowmark 321-501 ADA blue with high-contrast white graphics.
