OVERVIEW

The LCN 4040XP is the surface-mounted closer that keeps the Portland Loo door closing smoothly and latching every time. It is built for the most demanding high-use, high-abuse doors, with forged and heat-treated steel parts and a cast iron cylinder.

It is non-handed, and the spring adjusts from size 1 to 6 with LCN's Green Dial. It ships with LCN factory hardware and the standard plastic cover. An EDA Extra Duty Arm and a Madden Fabrication Vandal Guard stainless cover are available on request.

KEY FEATURES

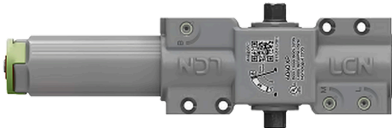

- 01 Built for abuse**
Forged steel and heat-treated parts, tested for abuse cycles and temperature extremes.
- 02 Easy to tune**
Clearly marked adjustment valves with built-in stops to keep them from being over-adjusted.
- 03 Code compliant**
ANSI/BHMA A156.4 Grade 1, ADA reduced opening force, UL and cUL listed for self-closing doors.
- 04 Upgrade options**
An EDA Extra Duty Arm and a Madden Vandal Guard stainless cover are available on request.

CONSTRUCTION & SPECIFICATIONS

Model	LCN 4040XP Series surface-mounted closer
Cylinder	4040XP-3071 cast iron cylinder assembly
Handing	Non-handed
Spring size	Adjustable, size 1-6, with LCN Green Dial
Construction	Forged steel and heat-treated components; abuse-cycle and temperature tested
Adjustments	Well-marked adjustment valves with built-in protection against over-adjusting
Certifications	ANSI/BHMA A156.4 Grade 1; meets ADA reduced opening force; UL and cUL listed for self-closing doors without hold-open

Warranty	LCN 30-year limited warranty

ORDERING OPTIONS

OPTION	STANDARD	AVAILABLE ON REQUEST
Cover	LCN plastic closer cover Std	Madden Fabrication Vandal Guard stainless cover
Arm	Standard LCN arm Std	EDA Extra Duty Arm
Cylinder	4040XP-3071 Std	DEL delayed action cylinder

Cylinder. Cast iron 4040XP-3071 with Green Dial.

Closer kit. Cylinder, arm, bracket and cover.

Vandal Guard cover. Madden stainless upgrade, on request.

UPGRADE TIP — The standard plastic cover is the easiest part of a closer to break or steal. Order the Madden Fabrication Vandal Guard stainless cover, and the EDA Extra Duty Arm for heavy-abuse doors, with your closer for a tamper-resistant install.
