OVERVIEW

The Portland Loo front door takes the most abuse of any part on the restroom. This replacement door is built from 1/4" aluminum and powder coated with Madden Fabrication's proprietary anti-graffiti blend.

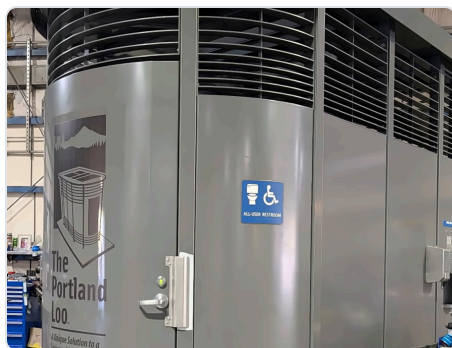

It ships as a full assembly with new hinges, lock, Vandal Guard accessories, closer, hardware and SBR noise strip. See page 2 for everything in the box.

KEY FEATURES

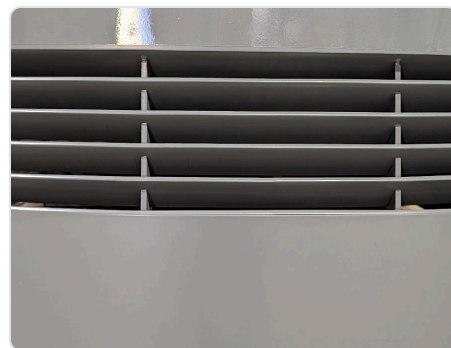

- 1 Reinforced door and louver**
A 1/4" aluminum door with a double comb support behind the front louver to stand up to abuse.
- 2 Vandal Guard protection**
A stainless latch protector shields the lock, and a metal cover replaces the plastic closer cover.
- 3 Adjustable slotted hinges**
The 6-pc slotted hinge set lets maintenance crews fine-tune the door reveal and strike-side gap.
- 4 Quiet, controlled close**
A heavy-duty LCN 4040XP closer and SBR jamb strip cut slamming noise and echo.

ON THE LOO

Hinge side. Three slotted hinges.

Strike side. Latch protector and lever.

Front louver. Double comb support.
