FOAMING SOAP REFILLS FOR THE VANDAL GUARD DISPENSER

Ready-to-use 1,000 mL foaming hand soap bags for Madden Fabrication's locking Vandal Guard dispenser, in three formulas.

1,000 mL	0.4 mL	≈ 2,500	USA
PER BAG (33.8 FL OZ)	PER PRESS	DOSES PER BAG	BAGS & DISPENSER MADE IN USA

OVERVIEW

These sealed refill bags fit the Vandal Guard soap dispenser from Madden Fabrication. The dispenser is a stainless steel cabinet with a keyed lock, so the soap inside can't be tampered with, stolen or wasted.

Each bag holds 1,000 mL of ready-to-use foaming soap. With 0.4 mL per press, one bag gives about 2,500 hand washes. Choose from a dye- and fragrance-free Green Seal certified formula, a clean scent, or a citrus antibacterial. Bags are sold six to a case.

KEY FEATURES

- 01 Ready to use**
The foaming soap needs no mixing or diluting. Unlock the dispenser, swap the bag and close it.
- 02 Sealed bag**
The bag stays closed until it's in the dispenser, which keeps the soap clean.
- 03 Low cost per wash**
0.4 mL per press, about 2,500 washes per bag.
- 04 Made in the USA**
Both the refill bags and the Vandal Guard dispenser.
