VANDAL GUARD RESTROOM ACCESSORY

Vandal Guard
Toilet Paper Dispenser

A heavy-duty stainless steel toilet paper housing that protects rolls from tampering, theft and damage in high-abuse public restrooms.

304 SS	Fully welded	2 · 3 · 4 roll	Brushed
316 ON REQUEST	PRECISION FORMED	CONFIGURATIONS	LOW-GLARE FINISH

OVERVIEW

The Vandal Guard Toilet Paper Dispenser is built by Madden Fabrication for restrooms that take real abuse. A precision-formed, fully welded stainless steel housing holds the rolls, and a protective top cover shields them from misuse and moisture.

It mounts to the wall with tamper-resistant fasteners, so it works as a retrofit or in a new build. It comes in 2-, 3- and 4-roll versions to match how busy the restroom is.

KEY FEATURES

01 **Stainless steel housing**
Type 304 standard, with 316 on request for coastal or corrosive sites.

02 **Fully welded body**
Built to resist denting, prying and vandalism.

03 **Protective top cover**
Keeps rolls clean and dry and discourages misuse.

04 **Tamper-resistant mounting**
Wall mounted with security fasteners, for retrofit or new installs.

Vandal Guard Toilet Paper Dispenser

Installed below the grab bar

ORDERING TIP

Choose the roll count for how busy your site is. A 3- or 4-roll unit means fewer service visits at high-traffic restrooms. Specify 316 stainless for coastal or de-icing-salt locations.
